RE: Interested Party List

I am writing to request that I continue to be placed on the BLMs Interested Party List for the following:

Wild Horse & Burro Herd Areas and Management Areas:
Harquahala, Lake Pleasant, Little Harquahala, and Painted Rock.

Livestock Allotments:
Please provide a list of livestock allotments within your Field Office's jurisdiction to the address provided below. Also, please provide a complete list of which grazing allotments fall into the above listed Herd Areas and Herd Management Areas.

Actions:
Planning range developments or range improvements (i.e. fencing), reports which evaluate monitoring data (i.e., allotment evaluations), adjustments to wild horse appropriate management levels, all management actions including wild horse and burro removals, wild horse and burro management plans, wildlife proposals including species introductions, habitat improvements or enhancements, biological opinions, changes to HMA boundaries or designations, Resource Management Plans, Land Use Plans and designated Wilderness Areas or Wilderness Study Areas.

Other proposals that affect the listed HA, HMAs and allotments including:
OHV Management Plans, Mining, Geothermal, Water Rights & Transfers, new public lands designations and proposals and any other management plan, proposal or action that would affect the areas listed of interest that are currently unforeseen.

Thank you for the opportunity to participate in the management of our Nation's resources.

Sincerely,

NAME/ADDRESS REMOVED
