RE: Withdrawal of Protest of Proposed Decision JD Allotment
Birch-Willow Drift Fence # 4160 (NV062)

Dear Mr. Furtado:

This letter is to serve as verification of the withdrawal of my protest regarding the implementation and decision to erect a drift fence around the Birch-Willow Creek area in efforts to improve riparian areas and LCT habitat improvement.

Based on the assessments and documents provided, the proposal area and JD Allotment does not fall within the boundaries that the Bureau of Land Management designated for long-term management of wild horses within the Roberts Mountain Herd Area.

I would like to express my appreciation for your timely response in providing the requested documents for public review before the end of the protest period.

Sincerely,

REMOVED
