Dear Interested Party:

The Bureau of Land Management (BLM) Rock Springs Field Office sent out an initial scoping notice on June 15, 2007 for the proposed management of the wild horse population within the White Mountain and Little Colorado (WMLC) Herd Management Areas (HMAs). Eighteen comment letters were received in response to the proposed management action. The comments and opinions received represented a wide range of viewpoints. No response will be provided to comments expressing opinion. All comments received during this public input period have been considered in the development of the WMLC HMAs Wild Horse Population Management Action Preliminary Environmental Assessment (EA) WY-040-EA07-254. This EA will be posted on September 24, 2007 on the Wyoming BLM website at:

http://www.blm.gov/wy/en/info/NEPA/rsfodocs/whitemtn_littlecolo.html.

The web site can be accessed by the general public at anytime. The preliminary EA is available for a 30 calendar day public review/notification period. **If any member of the interested public would like to provide any information, data, or analysis** that is pertinent to this management action, please submit your information by **October 24, 2007** to:

(Please include "White Mountain & Little Colorado Preliminary EA Information" in the subject line for both faxes and emails.)

The EA and corresponding Decision Record and Finding of No Significant Impact will be posted on the Wyoming BLM website after any new and pertinent information, data, or analysis from the public is analyzed. The estimated time of posting of the Final EA and Decision Record is November 1, 2007. You may also obtain a paper copy of these documents by contacting the Rock Springs Field Office at the address or phone number above.

Sincerely,
